Display Products

Wide Format Products And Services

100% guarantee of satisfaction.

DISPLAY PRODUCTS

RETRACTABLE DISPLAYS

Lightweight, Portable
Freestanding Exhibits

Quickly display custom graphics at presentations, sales promotions, events, and more. Winding system protects and unfolds inside banner.

TABLETOP DISPLAYS

Smartly-designed tabletop systems with vibrant graphics and impeccable fit and finish proudly display product, service, or brand.

CUSTOM EXHIBITS

A Custom Creation For Your Client's Special Needs

Dynamic, one-of-a-kind custom exhibits meet specific display needs and create a sales environment that is unique.

SPECIAL EVENTS DISPLAYS

Ensuring A Memorable Event

MegaBrand full-service solution includes display design and production, furnishings and props, and custom signage for an unparalleled memorable event.

BACKWALL DISPLAYS

Center Of Attraction At Trade Shows

Large, curved surface area showcases your customer's graphics. Features quick-erect aluminum frame full cross-braced for stability.

BANNERS

INDOOR/OUTDOOR BANNERS

Something Special Is Happening

Whether displayed horizontally, vertically, or even double-sided, our banners are an ideal choice for any message your customers wish to convey.

POLE/BOULEVARD BANNERS

Mount On Light Poles
Or Buildings

Here's a terrific way for your customers to economically market their product, business, city, or special event. Durable and aesthetically pleasing.

FEATHER BANNERS

Use Individually Or
In A Cluster

Display a colorful single or double-sided graphic that pivots in the wind to reduce wind loads. Can be used in any environment.

BANNER MATERIAL AND SIZES

For The Look, Feel, And Performance Desired

Choose from 13 and 15-ounce vinyl, mesh, satin and gloss photographic paper, polypropylene, and fabric...in just about any size required.

BUILDING WRAPS

The Ultimate Eye-Catcher

Enormous vinyl wraps can cover the complete side of a building, allowing their message to be seen for blocks and blocks.

BANNER MOUNTING AND HANGING SYSTEMS

For Wherever People Pass By

A variety of classy and cost-effective solutions include aluminum suspension rails, pole banner hardware, wall mounting systems, and hanging frames.

WINDOW GRAPHICS

STATIC CLING

Removable And Reusable

Portray a professional business-like appearance; remove and store when done. These signs stick to smooth surfaces without any adhesive.

PERFORATED WINDOW GRAPHICS

One-Way Vision For Privacy

Attaches to windows or glass doors with low-tac adhesive. Provides privacy for those behind image, while displaying complete graphics on the front.

PHOTOTEX

Even On Brick And Stucco

Adhesive-backed fabric paper can be easily applied anywhere and then removed and reused as desired. Will not rip or wrinkle.

FLOOR GRAPHICS

INDOOR/OUTDOOR

Available For Short Or Long-Term Use

Your clients will increase sales. Custom contour cut to any shape on white or clear vinyl. Skid-resistant, durable, and removable. Variety of laminates.

CUSTOM WALL MURALS

A Uniquely Distinct Setting

MegaBrand custom wall murals add a visually sophisticated design element to any interior décor package. Any size, any shape, any content.

SIGNS

BACKLIT SIGN/LIGHT BOX COMBINATION

Dynamic Impact Hard To Match

Several styles are available for creating a wall mounted display that features a high-end look at an affordable price. Easy loading of graphics.

INDOOR SIGNS

Permanent Or Temporary

Wide range of sizes and styles available for showcasing products or events, indicating special areas of a facility, or simple sprucing up a particular area.

OUTDOOR SIGNS

All Mother Nature Can Dish Out

Custom sizes and styles on selected materials. Messages come through loud and clear. Withstand the harshest weather conditions.

STANDOFF MOUNTING CONNECTIONS

Add A Stylish Design Detail

Elegant connections are ideal for applications requiring interchangeable flexibility. Available in a variety of finishes.

SITE SIGNS

Different Types For Different Purposes

Temporary signs promote the coming of a business or sale of commercial real estate. Permanent types identify a business. Different sizes, materials.

INTERIOR DESIGN/DÉCOR SYSTEMS

Personalize Your Business Environment

Combination of attractive imagery, custom décor elements, and powerful visual information creates an environment with style and a story to tell.

DIRECTIONAL SIGNS

Assist In Wayfinding And Identification

Wall-mounted and overhead signs in entryways and corridors allow visitors to easily make their way through a facility. Custom sizes, styles, materials.

ILLUMINATED SIGN BOXES

Increased Visibility For Any Business

With stylish aluminum frames and vivid backlit graphics, these sign boxes make a bold presentation. Strong, durable, and visible night and day.

LED SIGNS

Moving Message Electronic Displays

Display text, graphics, and logos in bright colors. Indoor and outdoor models. Completely solid state and operates on standard voltage.

CHANNEL LETTER SIGNS

Various Font Styles, Sizes, Colors

Illuminated 3-dimensional letters either front, reverse, or front/reverse lit. Corrosion and fading resistant. Available with or without neon.

POINT-OF-PURCHASE/POINT-OF-SALE DISPLAYS

CUSTOM DISPLAYS

Size And Shape Of Your Choice

Specifically designed to showcase specific product lines with impact and clarity. Corrugated or acrylic materials meet budget and timeframe.

DUMP BINS

Floor Style, Countertops, Slatwall, Pegboard

Allows the display of small and loose inventory anywhere in the store. Durable, inexpensive, and ideal for promotional displays.

BALLOT BOXES

Satisfying Your Collection Requirements

Various sizes and materials for gathering leads at tradeshows, accumulating registration forms at point-of-purchase, and collecting donations.

SHELF TALKERS

Indicate Original And Sales Price Differentials

Appealing and customer-friendly appearance captures attention and optimizes in-store promotions. Easy to set up and replace.

CUSTOM STANDEES AND CUTOUTS

A Standing Ovation For Product Exposure

Figures have a lifelike appearance with poster standees or stand-up cutouts held upright with durable, tall easel backs.

HANGING HEADERS

Visible From All Angles

Overhead hanging headers command attention in an underused space above displays. Available in round, triangular, and square designs.

COUNTER CARDS

Special Board Stock, Easel On Back

Inexpensive, attractive point-of-purchase signs are ideal for promotional or seasonal sales efforts. Portable and storable.

VEHICLE GRAPHICS

VEHICLE WRAPS

Suit Any Mode Of Transportation

Cost-effective moving billboard for cars, trucks, vans, busses, and even trailers. UV-protected, high-resolution, full color graphics.

CUSTOM VEHICLE GRAPHICS KITS

Ready To Apply By The Customer

Kits include graphics for left and right side of vehicle. Hood graphics also available. Self stick for professional results.

MAGNETIC VEHICLE GRAPHICS

An Impression That Sticks Around

Custom magnetic signs accomplish promotional goals without permanently lettering vehicles. Various sizes with rounded or square corners.

POSTERS AND PRINTS

INDOOR AND OUTDOOR POSTERS

Full Range Of Material Selections

Powerful communication tools available on gloss, matte, and satin papers; canvas, foam core, coreplast, polystyrene, and acrylic. Various sizes, shapes.

REPOSITIONABLE POSTERS

Apply, Remove, Reapply

Adhesive-backed, durable vinyl posters offer high-end looks and portability...but are not permanent. Custom sizes and shapes.

SECURITY FRAMING FOR POSTERS

Vandal Resistant And Tamper Proof

Ideal for posters that are displayed outdoors or in unsupervised areas. Special strengthened tool required for opening frame.

POSTER FINISHING SYSTEMS

Preserving The Good Looks

Posters can be mounted, laminated, or encapsulated. Deluxe frames keep graphics well fastened and contribute to a more prominent profile.

TRADE SHOW DISPLAY PACKAGES

PORTABLE DISPLAY LINE

High Quality At Affordable Prices

A full range of styles is available, all of which set up quickly and easily, and are perfect for transporting from show to show.

STANDARD CONFIGURATIONS AND SIZES

Choosing What Works Best
