COORDINATED DISPLAY PRODUCTS GARNER VISUAL EXCITEMENT AND CUSTOMERS BOTH INSIDE AND OUT

MegaBrand display products assist financial institutions in communicating with existing patrons and marketing to prospective customers. From banners, posters, and window graphics promoting new products or special programs to safety and directional signage within the facility MegaBrand products impact on-premise and drive-by customers every day...all day.

Meeting Diverse Display Needs Of The Financial Services Organization

MegaBrand display products and services are being successfully used by management at various financial institutions, supporting communications objectives on a full range of marketing and promotional activities, including...

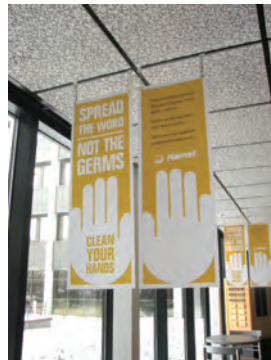

- 1 Promoting specials and financial options
- 2 Advertising new investment products, savings accounts, and checking promotions
- 3 Running stock/financial data with live scrolling messages
- 4 Promoting current interest rates
- 5 Furnishing business identification
- 6 Supplying safety and directional information
- 7 Broadcasting community involvement and activity sponsorship
- 8 Displaying time and temperature, making the sign a local landmark that people look to every day

An Extensive Portfolio Of Display Solutions For The Financial Institution

These high-impact MegaBrand display products attract and hold the attention of customers whether they're simply passing by, lined up, or sitting down to discuss your products and services.

Banners

Available in horizontal, vertical, or double-sided to communicate a message with style and excitement.

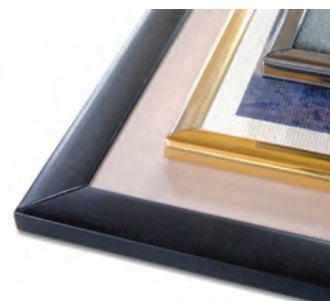

Banner Stands

Quick, easy way to present your graphic banners anywhere in the facility.

Posters

In virtually any size, shape, or quantity, and on a variety of materials.

Poster Framing System

Excellent framework for creating stylish poster displays.

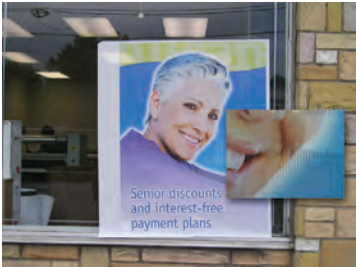

Counter Displays

Full-color, graphically-appealing signs place a promotional message right in the teller transaction area.

Perforated Window Graphics

Perfect for furnishing the security and privacy of being able to see from inside, while displaying a sales message outside.

Backlit Graphics/Light Box Displays

Viewer's attention is riveted by the visual impact of backlit graphics in elegant light boxes. Easy loading of graphics. Available in a wide variety of sizes.

Static Cling Window Graphics

Portray a professional business-like appearance, while highlighting programs and services. Removable and reusable. Stick to smooth surfaces without any adhesive.

Floor-Standing Backwall Displays

Large surface display area for showcasing programs, keeping customers up-to-date on rates, and encouraging inquiries on opening new savings accounts, Certificates of Deposit, and mortgages.

Literature Displays

Full range of styles and sizes is available for displaying brochures and other literature.

ADA Compliant Signs

Necessary components within any public facility, these regulatory signs satisfy requirements set forth by the ADA.

Indoor Signs

Permanent signs promote special financial programs and products. Several styles feature permanent text and graphics applied to selected substrates.

Interior Design/ Décor Systems

Personalize your business environment with a combination of attractive imagery, custom décor elements, and powerful visual information.
